

# Training Classes

## Your Connection for a **Thriving** Elkhart County

The EDC of Elkhart County and Purdue University Manufacturing Extension Partnership present training classes designed to improve and streamline your business process by leveraging unlimited resources of professional experts. Together, we serve more than 100 companies annually by implementing continuous improvement principles in areas of productivity, growth, and technology.

### What attendees are saying...

*"The case studies. Brainstorming and working with other people helped me better understand how to implement the tools learned."*

ISO 9001:2015  
INTERNAL AUDITOR TRAINING

*"Besides Project Management fundamentals, I enjoyed applying what we learned to "real-life" situations."*

PROJECT MANAGEMENT

*"I enjoyed the chance to build presentation and public speaking skills. The instructor made the class very enjoyable and packed with information."*

LEADERSHIP SKILLS FOR SUCCESS

*"Gained a much clearer understanding of Value Stream Mapping and how it ties into Lean Manufacturing."*

VALUE STREAM MAPPING

# Training Classes Available

The Purdue Manufacturing Extension Partnership (MEP) provides high-value, affordable solutions to help businesses increase profitability. As advocates for Indiana's thousands of manufacturers, our staff leverages resources in both the public and private sectors to help identify areas of improvement, streamline processes, and ultimately increase competitiveness.
